

Acknowledgements

It gives me immense pleasure to express my deepest sense of gratitude to my esteemed mentor Dr. Romesh Chandra Boruah, FNASc, Outstanding Scientist and Area Coordinator, Chemical Science, CSIR-NEIST, Jorhat, for his excellent guidance in fulfilling my Ph.D. work. His persistent support and care, patience, valuable suggestions, constructive criticism, encouragement, and his insights in every aspect throughout the experimental and thesis works have strengthened this study significantly. I will be grateful to him forever in my life.

I acknowledge Dr. D. Ramaiah, Director, CSIR-NEIST, Jorhat, for allowing me to continue my research work and for providing me with all the necessary laboratory facilities.

I also convey my thanks to Dr. P. G. Rao, Former Director, CSIR-NEIST, Jorhat, for giving me the permission to carry out my research work at this institute.

I convey my sincere thanks and gratitude to Dr. Sanjib Gogoi, Scientist, Medicinal Chemistry Division, for his invaluable guidance, advices and moral support during my research work.

I am thankful to Dr. D. Prajapati (HOD), Dr. P. J. Bhuyan and Dr. Pranjal Gogoi, Medicinal Chemistry Division, CSIR-NEIST, Jorhat, for their valuable advices, suggestions.

I express my gratefulness to Dibrugarh University for having given me the opportunity to carry out my Phd. I also acknowledge department of chemistry, DU for each and every help. I convey my heartfelt thanks and gratitude to my teachers from the Chemistry department, Bahona College and Gauhati University who initiated and aroused my interest towards this exciting subject of chemistry.

My thanks are extended to the staff members of medicinal chemistry division: Dr. H. N. Borah, Mr. K. C. Lekhok, Mr. M. Borah, Mr. J. Sadar, Mr. A. Saikia for their unforgettable help and valuable suggestions.

I sincerely acknowledge Dr Dilip Kownar Sir, Dr Rajib Goswami Sir, Dr Pallab Pahari Sir, Dr Anil Singh Sir and Dr Gakul Baishya Sir for their unforgettable help.

My research work achieves completion by sincere analytical help from Dr. P. J. Saikia, Mr. Jayanta Boruah, Dr. R. K. Baruah, Mrs. Ankana Phukan, Mr. O. P. Sahu, Dr. R. Khan, Mr. P. Khound, Mr. D. K. Phukan. I also acknowledge the staff of Library section, Glass blowing section and general store section for the valuable help.

The Financial supports from DST, New Delhi and UGC, New Delhi are gratefully acknowledged.

I express sincere thanks to my former and present lab mates, Dr. Shyamalee Gogoi, Dr. Mandakini Dutta, Dr. Junali Goswami, Pranjali da, Junali ba, Kommoori, Partha, Swagata and Rashmi who's sharing thoughts, ideas, love and encouraging words have made my journey beautiful.

My heartiest thanks goes to my past and present seniors and friends from Chemical Science Division, Dr. Rupam Sharma, Dr. Swarup Majumder, Debo sir, Manas da, Pallabi, Meenakshi, Seetham, Yuvaraj, Rajesh, Limi, sinki, Leema and Ashwini for their unconditional help and inspiration.

I convey special acknowledgement to Madhumita ba, Ashma ba, Himadri, Preetismita, Barnali, Manas, Tahshina, Debojit, Nasifa, Satya and Susmita for their indispensable support. I also offer my sincere thanks to Ms. Junu Saikia and Ms. Dipalee sadar for their help during my Ph. D. tenure.

I would like to express my deep sense of gratitude to maa, deta, loving Vaiti Partha and vonti Papori for their constant encouragement, moral supports and selfless personal sacrifices for me throughout my research work. I express my sincere thanks to all members of my family including my well wishers for their help and inspiration. I don't have words to express my gratitude to almighty who strengthened me during my work period.
