

## ACKNOWLEDGEMENT

At the very outset, I would like to thank my Ph.D. supervisor Prof. S. K. Borthakur Sir, Department of Botany, Guwahati University, Assam, for his scholarly inputs, consistent encouragement and untiring guidance I received throughout the research work.

I express my sincere gratitude to the authority of Gauhati University for approving my Ph.D. registration in the Faculty of science, Department of Botany and administrative supports. I am thankful to Prof. P. P. Baruah Sir, Head of the Department, Department of Botany, Gauhati University, Assam for his encouragement, support and facility to carry out my Research work smoothly.

Prof. D. K. Jha Sir and Prof. B. Tanti Sir have been kind enough to extend their help at various phases of this research, whenever I approached them, and I do hereby acknowledge both of them. I sincerely acknowledge all the respected faculty members and staff members of Department of Botany, Gauhati University, Assam for their valuable encouragement, guidance and support during the course of my study.

I am thankful to the Principal of Mangaldai College, Dr. Khagen K. Nath Sir and all the faculty members of the Department of Botany, Mangaldai College, Darrang, Assam, for their constant support and encouragement.

I also like to thank Forest Department, Govt. of Assam for providing permission to carry out my field work. I am grateful to Department of SAIF, NEHU, Shillong, India for assisting me in SEM work. My sincere thanks also goes to NEDFi R & D Centre and all the local people for their help and support.

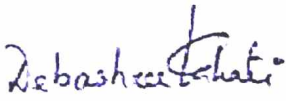

My acknowledgement will never be complete without the special mention of my lab mates and seniors Ms. Nibedita Das, Mr. Daimalu Baro, Dr. Amal Bawri, Dr. Sanjib Barua, Ms. Prapty Das, Dr. Pranjal Morang and Mr. Kishore Deka for their support and scholarly suggestions during the research.

No research is possible without the Library, the centre of learning resources. I take this opportunity to express my gratitude to all the library staff of K. K. Handique Liabrary of Gauhati University, Guwahati for their services.

I owe a lot to my parents, who encouraged and helped me at every stage of my personal and academic life. Words cannot express how grateful I am to them for all the sacrifices that they have made on my behalf. I am thankful to my sister for her love, support and encouragement during this tough journey. At last and not the least, I would like to thank my husband for his understanding and support.

Finally, I thank the Almighty, for blessing me to complete the research successfully.
